Ask God to lead you in applying today's passage. Below are some ideas to help.

READ- Follow the attached daily Bible reading plan to gain further insight on this topic.

STUDY- Use your Study Bible to research Acts chapter 27 and Paul's journey to Rome.

CONFESS- Admit the ways in which you have not lived to please God. Acknowledge that His ways are best and ask for His strength and wisdom to walk in His ways.

PRAY- Ask God for courage and comfort during these uncertain times.

PRAISE- Take time to worship God for being your strong tower.

GATHER- Prepare for D group by reading Sunday's passage again and answering the attached questions.

INVEST- In order for the church to effectively minister to the community, we must equip and mobilize our body. During this time of "alternative church" we have less manpower to carry out our mission. If you feel safe and healthy, consider how you may help the body fulfill its mission to each other and community.

GIVE- Is there someone you know who needs help or encouragement right now? Can you be the one to provide it?

INVITE- Christ is our strong fortress, and as the church we can be a light to someone else as they battle their anxiety. Consider who you can invite to join us online or in person for church at GBC.
